

## Corporate Overview

**Open Door Personnel**, since 2015, is built on assisting clients achieving goals by addressing critical gaps in workforce, infrastructure, and systems. Our services include Medical Staffing, Administrative Staffing, and Executive Search. In an increasingly competitive and ever-evolving market, our advantage is the ability to quickly assemble high-power teams that can perform at the pace of change providing the most qualified professionals, when and where you need them. We recognize the need for our clients to stay ahead of the rapid changes taking place in government and business. Whether that involves developing and maintaining workforces or developing a sound strategy, our experience and technical expertise make us the perfect partner for all your staffing needs.

Since 2015, we have served Fortune 500, mid-market, and emerging companies from a wide variety of industries, including financial services, government services, communications, technology, healthcare, energy & utilities.
