Welcome to the ODP Team!

Important information at your fingertips!

Thank you for joining our agency and trusting us with your clinical or administrative career. We are excited to have you represent Open Door Personnel!

This welcome kit will be a valuable reference throughout your career journey with us. Please keep it handy as a resource.

Message from the Founder

Greetings!

Welcome to the greatest staffing agency ever to be created! I am honored you are joining us. As you might imagine, your role is crucial to fulfilling the need for quality patient centered care. I am certain your education, experience and skill set will be a welcome and needed addition to all of the various clients/facilities we staff.

After working in the staffing industry for more than 20 years, I noticed a lack of value and appreciation for the field staff we relied on to represent us. I knew in order to make a change in the industry I had to become a staffing firm owner. Thus in 2015, Open Door Personnel was created. I vowed as an owner I would never put PROFIT before PRODUCT. With this motto, everyone wins - field temp staff, patients, clients (facilities), and then lastly, Open Door Personnel.

I believe all field staff representing Open Door Personnel should walk into their assignment feeling valued, respected, and appreciated. This empowers you to adhere to the ODP three pillars of success:
Professionalism, Punctuality and Productivity.

As founder of Open Door Personnel, it is with immense pride and joy that I can say we offer benefits to our field staff: medical, dental, life, paid vacations, Employee of the Month and Employee of the Year.

I hope as you read this, you too, will have a sense of pride as a valued ODP employee.

Here's to a wonderful partnership together!

"If the door is closed, we will build another door of opportunity till every person seeking our career assistance is gainfully employed!"

How Will I Get Paid? Getting paid on time weekly requires your accurate completion of both 1) clocking IN and OUT for each shift worked and, 2) uploading or emailing a copy of your weekly timesheet of every shift worked for a pay period. (Refer to your Recruiter or Staffing Manager to find out the correct pay period for your assigned work facility). Your timesheet MUST accurately match your clock-in and clock-out times captured on your True Helix app.

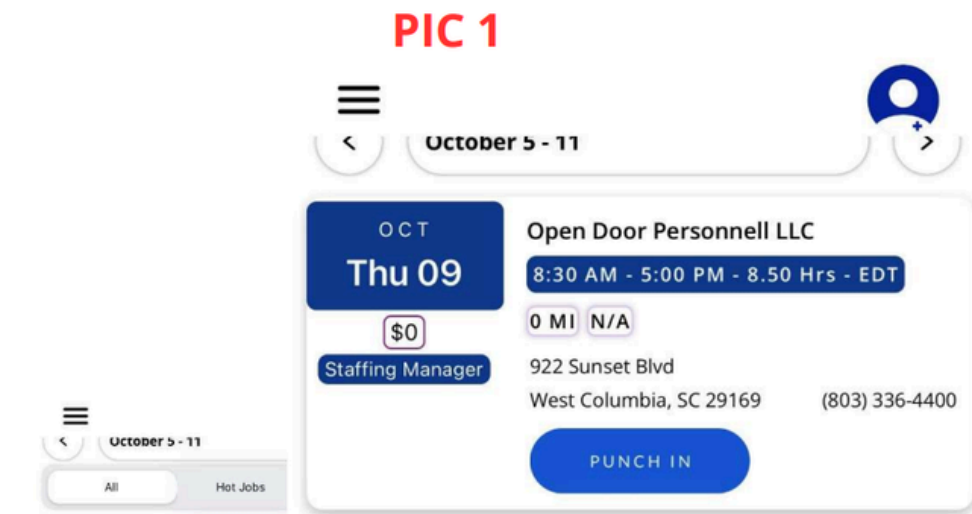

Timesheets are due by 9 AM EST each Monday to Payroll@opendoorpersonnel.com Direct deposits will be received on Fridays. The actual time for the deposit to reflect is dependent on your banking institution. Federal banking holidays will directly affect the date of deposit. Email notifications are sent 1 week prior to an anticipated bank holiday, please make sure your contact information is always current in True Helix so you do not miss any employee communications.

How do I get more timesheets? You can print additional copies from your UKG Ready app or print from the ODP website, www.opendoorpersonnel.com/Employee/Timesheets.

Will I receive Holiday Pay? Please refer to your Recruiter or Staffing Manager to find which holidays your assigned facility recognizes for Holiday Pay and if recognized, what the holiday pay rate will be. Workers' Compensation Reporting Procedure

In the event of a workplace injury, it is essential that you immediately contact your Open Door Personnel Staffing Manager or Recruiter by calling the 24/7 on-call cell phone number given to you. You must report your injury to the Open Door Personnel to receive instructions on the appropriate steps to take.

Important: Do Not Seek Unauthorized Medical Care

You are required to use Open Door Personnel's designated medical providers for any treatment related to your injury. Seeking care from a non-approved provider may result in your workers' compensation claim not being covered.

Medical and Reporting Requirements

Upon arrival at the designated medical facility, you will be required to undergo a urine drug screen. Additionally, an incident report must be completed within 24 hours of your injury. If circumstances prevent you from doing so, the Human Resources Administrator will evaluate your situation on a case-by-case basis.

Declining Medical Treatment

If you choose not to seek medical care, you are still required to submit a written incident report and sign a medical declination form.

Attendance Guidelines

Open Door Personnel has an excellent track record for providing quick and dependable staffing solutions. It is extremely important that you are present for all assigned shifts. Your attendance is critical to patient care, your success, and the success of Open Door Personnel. Excessive Tardies

Employees who arrive more than five (5) minutes after his or her normal start time is considered tardy. We recognize situations may arise that may hinder punctuality, regardless, excessive tardiness is prohibited and may be subject to disciplinary action, up to termination.
